

Johanna comes from Powell River with lots of Grandmother's love and tailoring skills. She has a beautiful testimony of how she

Patricia lives in Victoria and comes with skills in working with special needs children as well as a great love for Jesus. She is very excited about her first missions trip to Kenya.

Amelia, from Edmonton is doing a 3 month internship from King's College. She will look at how to help without creating dependency.

PLEASE PRAY FOR THE 2011 TEAM TO BE EFFECTIVE AND TO GROW SPIRITUALLY FROM THIS EXPERIENCE.

THE CHILDREN BELOW HAVE COME FROM DESPERATE SITUATIONS, AND NOW LIVE AT MERCY AND CARING HOME BUT STILL HAVE NO SPONSOR.

We have 7 such children and Mama Nancy is praying that before we leave in Sept, each child will have at least one sponsor.

\$50 is the cost but even \$35 or \$20 per month works. The child will feel your love and have someone to write to, plus live in a big brick house with a housemother where he/she will get food, clothing, education, healthcare and the love of Jesus. Great investment as you lay up treasure in Heaven! Matthew 6:20-21
